7	<u>Sterndale Moor</u>	
7.1	Defib now registered with The Circuit. Device still serviceable but about 10 years old so replacing the damaged case is uneconomical. Clerk to pursue grant funding options for a new device including case.	Clerk
7.2	First Aid/Defib training to be postponed to the Autumn. Clerk to get some dates for both locations.	Clerk
7.3	Grant application for funding for new Play Area now submitted to Tarmac Limited Landfill Communities Fund (LCF). Decision due late September 2026. It should be noted that Breedon were happy to donate materials and volunteers to help with the Play Area rather than funding. The Works Manager would also be happy to show any visitors around the site. New Skate Park – the Council agreed that this initiative needs to be driven by a local residents/parents' group. Cllr Melland will bring it up at the next Social Club Committee meeting.	
7.4	Clerk to contact original supplier of the Notice Board and complain that it's not fit for purpose being only 4 years old.	Clerk

8.1	The Council needs an update on the roofing work at School House and to establish the situation with regard to the scaffolding. Clerk has been in contact with High Class Roofing and Zurich to keep both updated.	Clerk
8.2	Cllr Staden will compile a list of other maintenance work needed (loose roof tiles, soffits, guttering). Richard Fletcher has been asked to look at the large wooden window to the rear. Clerk to chase.	Cllr Staden Clerk
8.3	Four grant applications for varying amounts for the Accessible WC have been submitted. Decision timescales vary from July - October. Clerk keeping contractor updated.	
8.4	Peter Bywater confirmed that installing a gas tank would only be economical if the Council used 20+ gas bottles annually. It was agreed to accept the quote from Bywaters for £983.00 gross to move the gas bottles. The automatic changeover regulator on the gas bottles is not working. Clerk to get a new one priced up from Bywater to be fitted at the same time or sooner. Two bottles gas need to be ordered ready for the next group of campers on 24 th June.	Clerk Clerk Clerk

9	There were no new planning applications since last meeting.	
10	Clerk attended the Locality Action Plan (LAP) Local Engagement Workshop on 21 st May for the Southern Peak (Buxton) Cluster. The aim was to start working on a plan that will influence how the post LGR (Local Government Review – moving to a Unitary Authority) council will operate. Opinion was sought on priorities for the area, 'what good looks like', retaining individual parish identities etc but with no participation from other parishes on this session, it will be interesting to see if further input has been gained from other clusters.	
11	<u>Highways</u> No existing or new issues.	
12	<u>Next meeting</u> Wednesday 8 th July 2026 at Brandside Parish Hall at 7.30pm.
