What can we do for you?

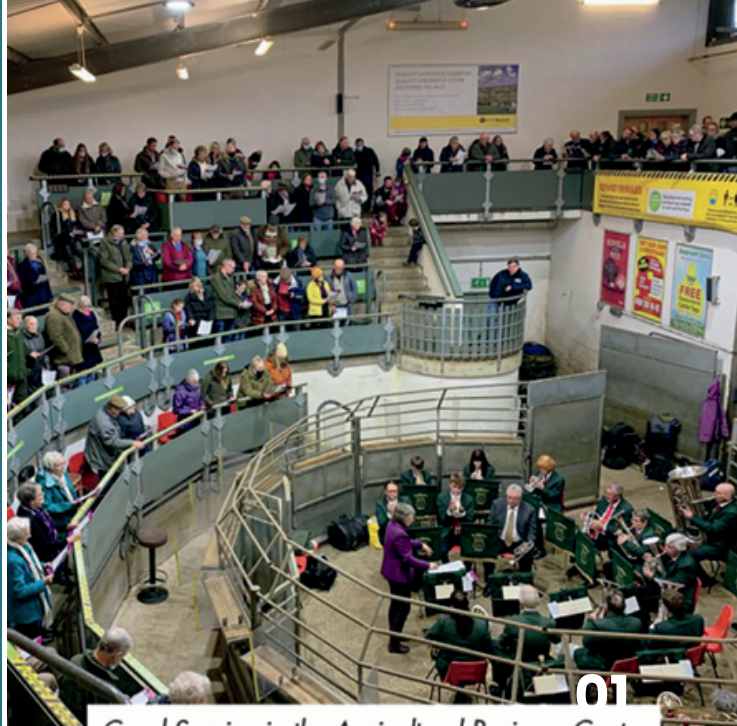

First and foremost, we want to celebrate all that our agricultural and rural communities offer to our shared life in Derbyshire! Yet, we also recognise that there are many pressures on the farming community, and so, we are here to offer farmers and the wider agricultural community confidential spiritual and pastoral support when the going gets tough.

Who are we?

We are a Christian Ministry made up of farmers and agricultural chaplains coordinated by Chaplaincy Derbyshire, an independent organisation and registered charity, operating across the county. We are entirely ecumenical, drawing our chaplains and volunteers from a variety of church backgrounds. All are unified in their desire to serve in God's name and make an authentic Christian presence in the lives of those working in the land-based sector in Derbyshire.

How do we help?

- We provide spiritual and pastoral support to the agricultural community and their families and people of all faiths and none
- We distribute, twice a year, the magazine 'DRC' News, which has helpful and informative articles (also available to download from our website)
- We regularly visit farms, receive referrals for support, attend the Agricultural Business Centre in Bakewell and many agricultural shows across Derbyshire
- We are able to coordinate special acts of worship and upon invitation to take weddings, funerals, and baptisms for the agricultural community in partnership with the rural church
- We work with other respected farming support organisations including, the Royal Agricultural Benevolent Fund (RABF), The Addington Fund, The Farming Community Network (FCN), the NFU, the rural church, and the Agricultural Chaplains Association.

Carol Service in the Agricultural Business Centre

“

Whilst striving to maintain my motivation after my cattle were diagnosed with TB, which compounded already existing problems within my business, the Derbyshire Rural Chaplaincy was able to visit and was always prepared to listen.

We just want to say a massive thank you for doing such a lovely service on our wedding day. It was just perfect! Thank you for all your help before the wedding and stepping in at short notice. We had so many compliments about the service, it was lovely.
